How to use this schedule:
Determine your timepoint based on either
when you want to leave or when you want to arrive by reading across for your
destination and down for your time.
A route map is provided on the other side
of this schedule to help you relate to the
timepoints shown. Please plan to arrive
at your bus stop 3-5 minutes prior to
scheduled times to ensure you catch your
bus. Arrival times can vary due to variations
in traffic conditions. While on the bus, please
be considerate of other riders and speak as
gently as possible and keep conversations
short while speaking on your cell phone.
Also, if you are listening to music, you must use
earphones and keep the volume low enough
so that those around you cannot hear the
music to which you are listening.
