ROUTE

EFFECTIVE 06/11/2018

How to use this schedule:

Determine your timepoint based on either when you want to leave or when you want to arrive by reading across for your destination and down for your time. A route map is provided on the other side of this schedule to help you relate to the timepoints shown. Please plan to **arrive at your bus stop 3-5 minutes prior to scheduled times** to ensure you catch your bus. Arrival times can vary due to variations in traffic conditions. While on the bus, please be considerate of other riders and speak as quietly as possible and keep conversations short while speaking on your cell phone. Also, if you are listening to music, you must use earphones and keep the volume low enough so that those around you cannot hear the music to which you are listening.
