

EBS stand for Enhanced Bus Service. EBS is a service that is designed around on-street improvements that reduce travel time, improve passenger comfort, and increase operational efficiency. The goal is to connect key activity centers with limited stop, higher frequency bus lines.

EBS stops are placed throughout the corridor. They are named based on their location and color coated with either blue or green signs.

How to use this schedule:

Step 1. Determine your stop destination by reading across the top portion of the schedule.

Step 2. Service operates hourly from the starting time till the ending time indicated on the schedule.

Step 3. Determine your timepoint based on when you want to leave or when you want to arrive.

Step 4. Please plan to arrive at your bus stop 3-5 minutes prior to scheduled times to ensure you catch your bus. Arrival times can vary due to variations in traffic conditions.

While on the bus, please be considerate of other riders and speak as quietly as possible and keep conversations short while speaking on your cell phone. Also, if you are listening to music, you must use earphones and keep the volume low enough so that those around you cannot hear the music to which you are listening. **All trips are ADA accessible.**

****No smoking, eating or drinking on
LANTA buses or vans.****

All tickets and passes may be purchased:

Online:

- www.lantabus.com/fares/

Mobile Applications:

- Transit App
